

Paper Globes

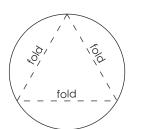

Decorate with paper globe topiaries or hang individual paper globes from a garland or chandelier. Use your favorite art papers or vintage greeting cards. Small pattern makes 5" globe, large pattern makes 6.5" globe.

Read through all instructions before beginning.

Materials for Paper Globe (Steps 1-5 below) assorted craft papers glue stick paper-scoring tool

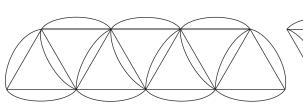

For Paper Topiary, Add... (Steps 1-7 below) 3/8" wooden dowel ribbon or twill tape for pole E6000 glue or glue gun ribbon, 1"-1.5" wide, for bow flower pot, floral foam & moss

- 1. **Cut Out Circles -** Trace pattern from Page 2 onto assorted craft papers. Cut 20 paper circles from pattern A for 5" paper globe or from pattern B for 6.5" paper globe. (For topiary only, punch or cut 3/8" hole at center of one paper circle to allow for topiary pole at Step 7.)
- 2. **Score Fold Lines -** Fold pattern along dotted lines to form triangle. One at a time, center triangular pattern on each cut out circle and score lines onto circle. Once done, each paper circle will have score lines that form a triangle at its center. With right side up, fold each paper circle along score lines.
- 3. **Create Top & Bottom -** With gluestick, glue flaps of 5 pieces together to form globe top as shown. Repeat for globe bottom.
- 4. **Create Middle Band -** Glue remaining 10 pieces together as shown. Glue first piece to last piece to form band.
- 5. **Form Ball -** Glue globe top to globe band. Glue globe bottom to other side of globe band to form ball.
- 6. **Prep Pole** Cut dowel to 16.5" for small topiary, or to 19.5" for large topiary. Wrap dowel with ribbon, securing ribbon at top and bottom with E6000 glue or glue gun.
- 7. **Assemble Topiary -** Cut floral foam to fit into flower pot, with top of foam 1" below rim of flower pot. Insert covered dowel into hole in paper globe. Poke bottom of dowel into center of foam. Arrange moss to cover foam. Tie ribbon bow around dowel at base of paper globe.

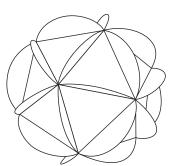

Enjoy!
